**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We don't need less providers, we need more! I am 83 years old and prices are getting so high, the government may have to support me! What you should be looking at is the prices and the service of the 3 biggest providers. And in my circle of friends we all feel the same way. And I mean leaving the state!
